## Children of the Promise: The Complete Series Dean Hughes

*Children of the Promise* dramatically portrays the impact of World War II on an ordinary family of Latter-day Saints who are striving, in a tumultuous time, to be true to the values and ideals they have been taught. If you haven't yet met the Thomas family, you are in for a real delight!

"Every era has its own refiner's fire, and World War II put general Church membership and Utah to a test," Dean Hughes explains. In *Children of the Promise*, his first historical fiction series for adults, Dean shows through the eyes of the Thomas family how LDS families were tested to the limit.

**Volume 1: Rumors of War** - The first volume, *Rumors of War* opens in 1938 with Elder Alex Thomas and his companion serving in Germany. It soon becomes obvious that he will never complete his mission. War is coming, and that will affect not only Elder Thomas but also his family back home in Salt Lake City.

**Volume 2: Since You Went Away** - Picking up where the bestseller *Rumors of War* left off, *Since You Went Away* continues with Wally Thomas's struggle to survive as a prisoner of war on the Bataan Peninsula while his family begin to disperse due to the war. Bobbi and Alex Thomas are leaving for military duty at the infant stages of World War II — Bobbi as a naval nurse at Pearl Harbor and Alex in army basic training. A gripping novel filled with memorable characters, *Since You Went Away* will draw you into a past charged with danger, action, romance, and the importance of family and faith.

**Volume 3: Far From Home** - In *Far From Home*, Alex Thomas is still battling the Nazi forces. He's also worried about whether or not he can preserve the lives of the men in his company, especially Howie, a particularly young and inexperienced soldier. But his biggest concern is staying alive for his wife, Anna, in England. *Far From Home* is a moving, powerful novel about the effects of adversity, and about the love of family members for each other.

**Volume 4: When We Meet Again** - Following the Battle of the Bulge, Alex Thomas is reassigned — not without reluctance — to an intelligence unit in Germany. The new assignment challenges Alex's deepest moral values and is more life threatening than combat. As a POW in Japan, Wally suffers torture that may only find relief in death, while Bobbi sorts out her true feelings when she runs into Professor David Stinson thousands of miles away from home.

**As Long As I Have You** - The war is over, and the Thomas family is slowly coming back together at home in Salt Lake City. But that doesn't mean all is well in Zion. In *As Long As I Have You*, the final volume of the *Children of the Promise* series, author Dean Hughes presents a moving picture of what life was like for an ordinary LDS family at the end of World War II.
