Travel back to the 1800's and tangle with ornery town marshals, Indians and schoolmarms who are anything but docile. Willow Creek may be a sleepy little frontier town but the characters who live there are as untamed as the land itself!

Book 1: The Lawman

On the run from her ex-lover...

Jilted by a no-show husband...

And now mistaken for a whore in the Diamond Back Saloon...

Abigail Thornton doesn't think things can get any worse. That is until a single slap to a man's face starts a barroom brawl that lands her in the last place she expected to be.

Book 2: The Outlaw

Sarah Hartford always dreamed of a grand adventure. She just never expected to find it in the arms of an outlaw.

Book 3: The Gambler

Emmaline Hunt only had one thing she could call her own. A piece of land that held a secret not even her drunken stepfather knew about. When he gambles it away in a high stakes poker game, Emmaline hatches a plan to get it back. She wants her land, and Tristan Averys money, and she'll do whatever it takes to get them. All she has to do is convince him she's there to stay, outwit him, find a way back home and not let a single soul know she has a gold mine bursting at the seams with untapped wealth.

Book 4: The Rancher

Laurel Montgomery wanted a new life, one that didn't include a man. She'd had enough of their pretty lies and broken promises but one night of reckless abandon weeks before taking a job as the new schoolteacher in Willow Creek would come back to haunt her. The man she thought to never see again turns out to be the father of one of her new students. A man so handsome and rugged he takes her breath away. Too bad she's sworn off men forever. If only the stubborn man would take no for an answer.
