Includes: 15 Colored Illustrations and Biography

The Scarlet Pimpernel is a play and adventure novel by Emma Orczy set during the Reign of Terror following the start of the French Revolution. The title character, Sir Percy Blakeney, a wealthy English fop who transforms into a formidable swordsman and a quick-thinking escape artist, represents the original "hero with a secret identity" that was a precursor to subsequent literary creations such as Don Diego de la Vega (Zorro) and Bruce Wayne (Batman).

Opening at the New Theatre in London's West End on 5 January 1905, the play became a favourite of British audiences, eventually playing more than 2,000 performances and becoming one of the most popular shows staged in Britain.
