The Subject of Lacan: A Lacanian Reader for Psychologists (Sunny Series, Alternatives in Psychology)

The Subject of Lacan: A Lacanian Reader for Psychologists (Sunny Series, Alternatives in Psychology)

An accessible introduction to the psychoanalytic theories of Jacques Lacan, intended especially for American psychologists but useful to anyone interested in the work of this important thinker. Written with the American psychological community in mind, The Subject of Lacan provides an accessible introduction to the psychoanalytic theories of Jacques Lacan. The contributors address issues and theories that define the field of psychology for its practitioners, researchers, and theorists. Focusing on a wide range of topics, including cognitive science, family therapy, psychoanalytic technique, psychotherapy versus psychopharmacology, gender and sexuality, psychology of religion, psycholinguistics, and cultural diversity, this book makes an important contribution to the understanding of the radically innovative character and complexity of Lacanian theory.
