## Animal Liberation Front: Complete Diary of Actions, the First 30 Years

The first assembled timeline of the Animal Liberation Front's 30 year history - from broken windows to lab raids. The Animal Liberation Front is a clandestine movement of activists who step in to illegally rescue animals in the dead of night when legal campaigns have failed. Organized by year, "Animal Liberation Front: Complete Diary of Actions, The First 30 Years" chronicles every reported U.S. A.L.F. action since 1979 (and a single liberation from 1977).

This is a complete document of every known extra-legal action carried out since the dawn of the U.S. animal liberation movement. The book covers not only the actions of the A.L.F., but all groups working outside the law to save animals ranging from The Justice Department to the Paint Panthers. The book includes:

\*Complete list of reported actions, broken down by year.

\*Unclaimed actions reported in the media.

\*The first comprehensive look at the history of the underground animal liberation movement in the United States.

"A.L.F. Diary of Actions: The First 30 Years" is the first of its kind, and a must-own for any serious animal rights movement historian.
