Lucia Jordan is proud to release a new outstanding collection containing four of her Bestselling Series.

In Too Deep:

Rayne Smith's boss Clive Sherman, is invariably intent on annoying her. Consistently self absorbed and mean spirited, he's made it clear that he wants more from Rayne, and demands that she attend the masquerade ball given by company. He sees this as his perfect opportunity to move in on the new hire. At the ball, Rayne thwarts her boss continuously, but is soon overcome with boredom at the uneventful soiree. Just when she is getting ready to leave, a mysterious masked man enters. Their eyes meet and they instantly hit it off. Having not even been formally introduced, he vaguely tells her to call him Crasher. The virile, god-like sex that follows is nothing like what Rayne has always known. But is it just chance that they've met, or is it more? Will the dominant nature of Crasher lay dormant, or surface once they're skin-to-skin? And who exactly is this mysterious man?

Untamed:

Stella Remington's life is in flux. A ten-year high-school reunion would be daunting enough for anybody, let alone after your high-school sweetheart and husband of ten years leaves you for another woman. Reminiscing with old pals hardly interests Stella, in fact nothing does these days – that is until drop dead gorgeous Joshua Lambert makes his entrance. Lambert, who was the captain of the football team always caught the attention of the girls who've thrown themselves at him. Now ten years later, he's an incredibly successful businessman and also a known playboy and millionaire. He's always managed to get his hands on everything he's desired, except the one that got away – Stella. Their initial run in at the reunion stirs a hot flame in both of them but now his gaze is more intense than ever. But will Stella's damaged state keep her from opening up?

Irresistible:

Coming off the heels of a relationship is never easy, which is certainly the case for Alicia Winslow. Following a bad breakup with a colleague from the realty firm where she works, her nights are now reluctantly spent on speed dates her best friend forces her to attend. Countless meetings with numerous awkward and unimpressive men soon leaves her doubting if she'll ever meet the perfect man of her dreams, or whether that's just the stuff of fairy tales? That is until a highly valuable and sort after weekend home in Richmond hits the market and Alicia gets a call that the property has aroused a buyer's interest. The client is Zachary Collins who is not just as wealthy as he is ruggedly sexy, but fits Alicia's idea of a perfect man to a tee – tall and tanned Alicia is hooked from their very first rendezvous. But what Alicia doesn't know about her perfect man is his hidden desires, and that what he's offering is more than just a property deal.

Taking Control:

Belle doesn't have time for many men—not only is she too absorbed in her work as a scriptwriter, but more often than not, she finds most men leave her completely unsatisfied and unwilling to learn how to please her. Until one evening, when her boss orders her to indulge in a night out, her submissive side is awakened when

she watches a man, uncomfortable in the crowd but simultaneously giving off an aura of deep confidence. He's irresistibly hot and physically tough, but there's also something vulnerable about him too...something she can't quite place. What Belle doesn't know is that Trip has a turbulent past and is haunted by troubling memories that he can't shake.

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
