More Amazing Tales from Indiana Fred D. Cavinder

The stories in this book will provide entertainment for everyone and evoke wonder in the most jaded observer of the human condition. Some of the exploits that Fred D. Cavinder describes are half-hidden footnotes to national and international happenings. Others seem so typical of Indiana that they will appeal to anyone who understands the Hoosier spirit. But all of them are true?recorded in reliable accounts or by reliable witnesses from early times to the present.

In "Saving Face," Cavinder introduces us to General Ambrose Burnside of Liberty. Burnside blundered his way through the Civil War, relocated to Rhode Island, and served three terms as governor and two terms as U.S. Senator. But what we really remember Burnside for is his unique facial hair?his "sideburns." Did you know that Indiana produced three of the movie Tarzans? In "AHHaaaaaaaaaiiiiiiiiiieeeeeeee!" you can find out who they were. With its sometimes quirky stories about the Hoosier state, More Amazing Tales from Indiana will be a ready companion for the bedside table and will provide a wellspring of anecdotes for speechmakers and pundits.
