Complete Mandolinist Marilynn Mair

The Complete Mandolinist is the most comprehensive American mandolin method to be published in nearly a century. Written by Marilynn Mair, internationally acclaimed mandolinist, recording artist and teacher for over two decades, this book presents a logical approach to mandolin technique that builds on the pioneering efforts of America's mandolin teachers of the early 20th century. Starting with a foundation in basic technique and music reading, the book progresses, in the course of its 224 pages, through scales, arpeggios, tremolo, position work, shifting, rhythm studies, picking techniques and duo-style, with carefully selected exercises and musical examples that range from fiddle tunes and Brazilian choro to Vivaldi concertos and Beethoven sonatas. The method reflects the wealth of musical knowledge Marilynn has acquired over the course of her distinguished career, and she has compiled it here for you, to encourage the versatility and intelligent musicianship you will need to become a more complete mandolinist. This book comes with an online audio download.
