Medicine at a Glance

Medicine at a Glance

The central title in the market-leading *at a Glance* series, *Medicine at a Glance* provides a concise and accessible introduction to the study of medicine and is the ultimate revision guide for the core medical curriculum.

Ideal for medical students, Foundation Programme doctors and those training in the allied health professions, *Medicine at a Glance* presents each topic as clear, double-page spreads with key facts accompanied by tables, illustrations, photographs and diagrams.

- Used by thousands of students in its previous two editions, *Medicine at a Glance* has been fully revised and updated to ensure that it remains THE essential revision guide purchase
- Contains new chapters on history and examination, patient consent and confidentiality, and substance abuse
- Further coverage of the essential facts for the diagnosis and treatment of common symptoms and conditions
- Offers full support for PBL-style courses via self-assessment cases and MCQs contained in a brand new case-based book, *Medicine at a Glance: Core Cases* which is also available online at: www.ataglanceseries.com/medicine

Reviews of previous editions

"Fantastic revision tool before finals with all the breadth of information you need and full colour, clearly laid out diagrams."

—**Medical Student, St. Georges Medical School**

"The most up-to-date and best presented clinical medicine text on the market. It contains succinct and clear explanations of the medical conditions any student is expected to know. A student favourite."

—**Medical Student, Nottingham University**

"I definitely recommend this book to all final year students...."

—**Final Year Student, GKT**

"...once you start using this book, you won't say goodbye to it..."

—**Gube Magazine, Melbourne University Medical Students Association**

From reader reviews:

Diana Pearson:

Here thing why this Medicine at a Glance are different and trusted to be yours. First of all studying a book is good nevertheless it depends in the content than it which is the content is as scrumptious as food or not. Medicine at a Glance giving you information deeper since different ways, you can find any publication out there but there is no book that similar with Medicine at a Glance. It gives you thrill reading through journey, its open up your personal eyes about the thing this happened in the world which is might be can be happened around you. You can easily bring everywhere like in recreation area, café, or even in your technique home by train. If you are having difficulties in bringing the published book maybe the form of Medicine at a Glance in e-book can be your alternative.

Debbie Jackson:

This Medicine at a Glance is great e-book for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. This book reveal it facts accurately using great coordinate word or we can claim no rambling sentences in it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but difficult core information with beautiful delivering sentences. Having Medicine at a Glance in your hand like finding the world in your arm, details in it is not ridiculous a single. We can say that no publication that offer you world in ten or fifteen tiny right but this book already do that. So , it is good reading book. Hello Mr. and Mrs. active do you still doubt that will?

Jaclyn Utecht:

It is possible to spend your free time to see this book this publication. This Medicine at a Glance is simple to create you can read it in the recreation area, in the beach, train and also soon. If you did not have got much space to bring the particular printed book, you can buy the particular e-book. It is make you better to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Nona Smith:

That reserve can make you to feel relax. This book Medicine at a Glance was multi-colored and of course has pictures around. As we know that book Medicine at a Glance has many kinds or variety. Start from kids until youngsters. For example Naruto or Investigation company Conan you can read and believe that you are the character on there. Therefore not at all of book are make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for you and try to like reading that will.
