Romance: Heart From The Woods [Victorian, Native American] Emily Wood

A beautiful young woman falls in love with a Native American on the outskirts of town. She goes about her days, daydreaming that something interesting will happen to her. One day she sees a beautiful man in the woods. She's taken aback as they make eye contact, something magical happens. He walks into the woods. She follows but she can't find him. She thinks about him for days, and fantasizes seeing him again. Then there's an elaborate carved bear claw left on her door. She knew it must have been from the Native. She goes back into the woods where she first saw him and sees him again. While adventuring through the woods to see him one day she's bitten by a snake. She screams and passes out. As she dips in and out of consciousness, she sees only blurs of him carrying her into his tribes village...
