Sports around the World [4 volumes]: History, Culture, and Practice

This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world: it also details how and why sports are played wherever they exist, and examines key charismatic athletes from around the world who have transcended their sports.

- Nearly 900 entries cover most aspects of sport from around the world
- Contributions from more than 200 distinguished scholars, such as Mark Dyreson, Henning Eichberg, Malcolm MacLean, S.W. Pope, and Rob Ruck
- Entries on players, stadiums, arenas, famous games and matches, major scandals, and disasters
- Lists of Olympic medalists for all events since 1896 as well as lists of winners of major events such as the FIFA World Cup and MLB World Series
- Further reading selections provide direction for in-depth analysis of each event, sport, personality, or issue discussed
