The Gospel of John - Volume I (Chapters 1 to 7) William Barclay

"The Gospel According to Saint John is to many people the most precious book in the Bible," says the author in this volume. In order to bring the tremendous wealth of this gospel to the reader, Dr Barclay has accompanied his unique translation of the text with a detailed commentary almost verse by verse. In many cases he has continued discussion of a passage for several units of study instead of limiting it to one. A comprehensive introduction presents additional material, for the editor believes that "there is no book that gains so much from the background from which it emerged."
