Nudel's Compendium of CFNM Erotica Nudels

I will keep this bit short so basically I have compiled a collection of my own CFNM adventures into one book so you the reader can enjoy them all at once, and hopefully enjoy the excitement I felt at the time. All of the stories have a strong element of truth in them and I am sure you have already guessed, the star of each adventure is in fact me. I enjoyed my CFNM and exhibitionist adventures enormously and of course I still do. I get excited when I write them and of course I get excited when I read about them all over again. The stories are intended for the enjoyment of both sexes, so get stuck in and enjoy them.
