**On Playing a Poor Hand Well: Insights from the Lives of Those Who Have Overcome Childhood Risks and Adversities (Norton Professional Books (Hardcover))** Mark Katz

**Many happy and productive adults grew up under difficult conditions that they couldn't change, no matter how hard they tried. Some struggled with learning and attention problems and yet found a way to succeed. What were the secrets of their resiliency?**

Drawing upon research examining life's trajectories, Mark Katz identifies sources of protection, strength, and understanding - the cards that enable some children to "beat the odds." He encourages therapists, educators, and other child caretakers to incorporate these factors into our system of care.
