Rise of the New World Order: The Culling of Man J. Micha-el Thomas Hays

The same occult group of people who have been ruling over humanity for thousands of years continue to do so to this very day. The one world government prophesized in the Bible is unfolding behind the scenes right as you read this, and was given the catchy name of the 'New World Order'. You can learn right now all of the most important components of the NWO and how they interlock to form a pyramidal, compartmentalized conspiracy run by the Luciferian elites, to the ultimate benefit of only the people involved with bringing the one world government in. Currently, the technology exists to fulfill nearly all aspects of the Biblical prophecies regarding the End Times, including the resurrection of the original Antichrist, who was the architect of the New World Order over 4,000 years ago. This tyrant will be brought back to life using modern DNA technology, fulfilling the prophecy of Revelation 17:8 "The beast, which you saw, once was, now is not, and will come up out of the Abyss and go to his destruction. The inhabitants of the earth whose names have not been written in the book of life from the creation of the world will be astonished when they see the beast, because he once was, now is not, and yet will come." This is all revealed in my book, including who the Antichrist is, how the New World Order started, who ran it through history, who runs it today, and what is to happen in the near future. Please read my book's reviews here on Amazon and the testimony that this is a highly important book for you to not only read, but to make others aware of. I'm working on the sequel to this book right now. Don't be afraid to read my book, there's a happy ending full of hope and promise if you understand what is REALLY going on, that which is plainly laid out in my book. Again, I need your help out there!! I'm self-published, so the weight of promoting my works falls completely on my readers. Thanks for your support. God bless all. -Jeff
