## **Century of the Wind: Memory of Fire, Volume 3** Eduardo Galeano

The third volume of Eduardo Galeano's *Memory of Fire* trilogy, *Century of the Wind* offers a panorama of Galeano's singular vision of the past, turbulent century: from the bucolic New Jersey laboratory of Thomas Alva Edison to the armies of Emiliano Zapata and Fidel Castro to the Reagan-era CIA "neutralizations" in the forests of Latin America. Dizzying, enraging, and beautifully written, *Century of the Wind* is a sweeping interpretation of the Americas no work of history has previously imagined.
