DVD Demystified Third Edition Jim Taylor

U.S DVD sales will top \$8.1 billion in 2002, an increase of over 50%, according to Adams Media Research. DVD sales this year surpassed video, even though only 30% of households have DVD players (compared to 90% for VCRs). In August 2002 the New York Times dubbed DVD “the most successful home entertainment device in history...a true pop-culture phenomenon.” DVD Demystified has served as DVD’s bible since the format first shipped in 1997. Demystifying not only basic technology issues but detailing production and authoring processes, making sense out of the plethora of battling video, audio, and data formats, and clearly explaining how DVD standards and specs dovetail or clash with related digital media standards, this book has not only become DVD’s standard reference, but also required reading for DVD enthusiasts who wanting to peer behind the scenes and figure out how to get the most from their technology. Since then, Jim Taylor has become DVD’s most visible guru, now President of the DVD Association, author of the internet DVD FAQ, and profiled by E!Online and DVD Report. This third edition will be almost completely rewritten to cover the major technology, format, and standard changes of the past three years, and will once again include a DVD designed to show the extreme limits of performance of this dynamic technology.

From reader reviews:

Tammi Kendrick:

The reason why? Because this DVD Demystified Third Edition is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who all write the book in such remarkable way makes the content within easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book have got such as help improving your expertise and your critical thinking way. So , still want to hesitate having that book? If I have been you I will go to the guide store hurriedly.

Patricia French:

Reading can called head hangout, why? Because if you are reading a book mainly book entitled DVD Demystified Third Edition your head will drift away trough every dimension, wandering in every aspect that maybe unknown for but surely can become your mind friends. Imaging each word written in a e-book then become one application form conclusion and explanation that maybe you never get before. The DVD Demystified Third Edition giving you a different experience more than blown away your thoughts but also giving you useful information for your better life on this era. So now let us teach you the relaxing pattern is your body and mind will probably be pleased when you are finished reading it, like winning a sport. Do you want to try this extraordinary paying spare time activity?

Raymond Floyd:

Many people spending their time period by playing outside having friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by reading through a book. Ugh, ya think reading a book can actually hard because you have to take the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Touch screen phone. Like DVD Demystified Third Edition which is keeping the e-book version. So , why not try out this book? Let's find.

Carolyn Rolon:

As we know that book is vital thing to add our knowledge for everything. By a guide we can know everything we want. A book is a range of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This e-book DVD Demystified Third Edition was filled about science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading any book. If you know how big advantage of a book, you can feel enjoy to read a e-book. In the modern era like currently, many ways to get book which you wanted.
