Michael Caputo

Einstein, Galileo, Newton: What Did the Greatest Scientists Believe About God? Michael Caputo

Einstein, Galileo and Newton were the three greatest scientists that ever lived. Thanks to them, Science took gigantic leaps forward, and we are the beneficiaries of their work and insights.

What did the three greatest scientists believe about God and the Bible? Some assume that these superior minds did not believe in a Creator and that they were atheists or agnostics.

This book gives compelling evidence that all three believed in a Superior Being, and that two of them were very committed Christians.

Michael Caputo

Author of the award-winning, *God Seen Through the Eyes of the Greatest Minds*. (Now, *The Greatest Minds Believed in God*.)
