Salome

Oscar Wilde

Salome Oscar Wilde

Salome is Oscar Wilde's most experimental and controversial play. In its own time, the play, written in French, was described by a reviewer as "an arrangement in blood and ferocity, morbid, bizarre, repulsive." None, however, could deny the importance of Wilde's creation. Contemporary audiences and reviewers variously regarded *Salome* as the symbol of a thrilling modernity, a challenge to patriarchy, a confession of desire, a sign of moral decay, a new form of art, and a revolt against the restraints of Victorian society. Less well known than Wilde's beloved comedies, *Salome* is as enduringly modern and relevant.

This edition uses the English translation done by Wilde's lover, Lord Alfred Douglas, and overseen and corrected by Wilde himself. Appendices detail the play's sources and provide extensive materials on its contemporary reception and dramatic productions.
