## **El Zen De Las Estrellas** Michael St.Clair

Cuál futuro? El Zen de las estrellas presenta escenarios posibles del futuro de la humanidad. Este libro sugiere que ante nosotros se hallan futuros probables dormidos -o en estado de suspensión animada- de entre los cuales nuestras acciones o conductas eligen un escenario para convertirlo en nuestra experiencia presente. Manifestamos el futuro a través de nuestra conducta. El astrólogo estratégico y cosmólogo St. Clair es conocido por muchos programas de radio y por el popular sitio de internet que presenta su trabajo: <http://light-seeds.com>; - St. Clair predice con precisión las tendencias económicas globales y acontecimientos políticos mundiales. Sus horóscopos y pronósticos se extienden más allá de 2020 y hasta 2048. En este libro de arte y ficción se ocupa de lo que él denomina nuestra relación con el mundo invisible. Tú eres tu propio futuro. Está dentro de ti. ¡Entra en él!
