Hector Fuller is a wumblebug. A more likeable bug you'll never find. But you'll also never find a wumblebug anywhere other than the pages of a book -- this book, to be exact.

One morning Hector Fuller is playing the piano in his wumblebug hole, as content as a bug can be when his home is taken over by a hopping flea circus! Fleas are everywhere, hanging from the ceiling and bouncing off the walls. To make matters worse, Hector's allergic to fleas -- all six of his legs are itching like crazy! There's only one thing for poor Hector to do: He'll have to find a new home.

On his search, Hector meets new creatures and sees amazing sights, but will he ever find a home as perfect as his snug little hole?

Paula Lauria:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
