Innocence By Dean Koontz Summary Dean Koontz, Gyorgy Martin
Innocence By Dean Koontz Summary By Gyorgy Martin

Dean Koontz, one of the most horrifying authors of all times, returns with his latest suspense novel, Innocence. Only the depraved mind of Koontz could imagine a main character whose facial features are so unattractive that they insight anger and rage in everyday citizens.

The ugly man, Addison Goodheart, resides in a secluded part of town and he is convinced the solitude is a gift. When Addison meets a young lady, Gwyneth, his life takes a turn for a worse as he suddenly finds himself involved in a murder plot as thick as anything Koontz has ever written. Though this story isn't as terrifying as other Koontz classics, it is a return to the macabre which the iconic writer seemed to shy away from with novels such as his Frankenstein series.

Innocence is a fast read and you'll find yourself longing for more before you even finish the last page. The digital eBook saves time and money yet it's every bit as terrifying as the paperback so any true Dean Koontz fan will definitely want to read this story.

The Summary of Innocence is a great idea because it features a shortened version of the story at a discounted rate. This means it can be read much faster than the paperback, which saves time, and the eBook format means it can be delivered in an instant.
