If you have a dog at home that you want to train, or if you want to teach your pup how to refrain from forming any bad habits, then this is certainly the book for you! This book was written for dog owners and pet lovers alike, who understand the importance of training, and want to know how to nip negative behaviours in the bud.

Dogs are a part of our daily lives. They have grown from the hunters our ancestors relied on; to the companions we have by our sides today. They are part of our families, and are as loved and cherished as our children. They are with us in the highs and lows of our everyday lives. They give us joy, love and healing. It is no wonder, then, that almost every household wishes they had a dog in their midst.

Here Is A Preview Of What You'll Learn...

- What are the basics of training
- What are Puppy practices and problems
- How to deal with dog dilemmas
- What are basic obedience training?
- What are some fun activities
- Much, much more!
