Relationships can be quite difficult. We make a game out of relationships. In actuality we play mind games versus having the right mindset to hit a home run.

We go fishing for a man or woman. We lure them in and they take the bait. The outside surface is only the frosting on the cake.

Our outer beauty and seduction can only take us so far. Who are your team players?

What are your intentions and motivations for starting a relationship?

What kind of changes are necessary, how many strikes are you allowed? What are your limits? What are your dreams? How much do you practice? Are you afraid of change? Are you willing to make changes? Sometimes we win and sometimes we lose.
