Special Passage: Book Four of the Coursodon Dimension Series (Volume 4) M L Ryan

After having her body inhabited by an arrogant womanizer from another dimension, Hailey Parrish had to adjust to the supernatural powers he left behind. If occasional temper-induced destructiveness and the ability to change into a hawk weren't problematic enough, she saved the parallel dimension of Coursodon from a megalomaniac from an unknown third dimension by transforming into an oversized, flame-spewing, winged beast. Was her transformation into Birdzilla a one-time fluke, or will her hometown have its own version of the Loch Ness Monster? Special Passage, the fourth book in the Coursodon Dimension series, combines paranormal romance, urban fantasy, a bit of science fiction, and a healthy dose of quirky humor.
