**The Last Days of Hitler** Hugh Trevor-Roper

**The classic account of Hitler's fall from power, first published in 1947, reissued with a striking new cover**

In September 1945 the fate of Adolf Hitler was a complete mystery. He had simply disappeared, and had been missing for four months. Hugh Trevor-Roper, an intelligence officer, was given the task of solving the mystery. His brilliant piece of detective work not only proved finally that Hitler had killed himself in Berlin, but also produced one of the most fascinating history books ever written. This is the extraordinary story of those last days of the Thousand Year Reich in the Berlin Bunker. Besieged in the shattered capital, but still dominating the remains of his court, Hitler reiterated the original alternative of Nazism: either total victory or annihilation. This book is the record of that carefully prepared, ceremonious finale to a terrible chapter of history.
