The Texts of the White Yajurveda

Ralph T.H. Griffith

The Texts of the White Yajurveda Ralph T.H. Griffith

The Yajur Veda is one of the four Vedas. It contains liturgical texts used during various important Hindu rituals. There are two major samhitas, or collections, the Black and White. The White Yajurveda, translated here, focuses on the liturgy, whereas the Black Yajurveda includes more explanatory material about the rituals.

Author:

Ralph Thomas Hotchkin Griffith (1826-1906), scholar of indology, Son of Rev R C Griffith (Chaplain to the Marquis of Bath 1830) B.A. of Queen's College was elected to the vacant Sanskrit Scholarship on Nov 24, 1849. He translated the Vedic scriptures into English. He also produced translations of other Sanskrit literature, including a verse version of the Ramayana and the Kumara Sambhava of Kalidasa. He held the position of principal at the Benares College in India.

His translation of the Rigveda follows the text of Max Müller's six-volume Sanskrit edition. His readings generally follow the work of the great scholar Sayana who was Prime Minister at the court of the King of Vijaynagar - in what is now the District of Bellary in the Indian state of Karnataka - in the fourteenth century.
