I Want It All Sunny Giovanni

Growing up together is the easiest part of a friendship but when you're adults and feelings blossom it seems as if life tends to be much harder than it really is. Cody and Jade couldn't be more familiar with one another but what they're missing are plenty of secrets between the two that may cause them to split ways for good.

Finding themselves cloaked with strange emotions toward one another they both flee from the possibility that they could be in love. NFL superstar Cody Gaines faces his toughest opponents off the turf and they don't come in uniform or come prepared with a play book in hand. He runs into pop sensation Allison Brodus, AKA Aphrodite, with the chance of boosting his career, but plenty of penalties are called on that play when Troy Green-- offensive lineman for the Vikings-- steps out of the shadows of the past and hangs up his helmet for a chance to win Jade over after a turbulent relationship in college.

Though Cody has drama stacked up to the ceiling, including being a single father, he can't help but to make one fatal decision which may end in disaster depending on which one he chooses. Does he follow his heart and go after Jade before Troy has the chance to sink his claws into her heart again? Or should he choose to boost his image with a pop star and miss out on the chance to form a real family for the sake of his daughter Ma'Kayla?
