Scarecrow (Shane Schofield Book 3) Matthew Reilly

IT IS THE GREATEST BOUNTY HUNT IN HISTORY

FIFTEEN NAMES

There are 15 targets, the finest warriors in the world-commandos, spies, terrorists.
And they must all be dead by 12 noon, today. The price on their heads: almost \$20 million each.

ONE HERO

Among the names on the target list, one stands out. An enigmatic Marine named Shane Schofield, call-sign: SCARECROW.

NO LIMITS

And so Schofield is plunged into a headlong race around the world, pursued by a fearsome collection of international bounty hunters-including the 'Black Knight', a notoriously ruthless hunter who seems intent on eliminating only Schofield.

The race is on and the pace is frantic as Schofield fights for survival, in the process unveiling a vast international conspiracy and the terrible reason why he cannot, under any circumstances, be allowed to live!

He led his men into hell in *Ice Station*.

He protected the President against all odds in *Area 7*.

This time it's different.

Because this time Scarecrow is the target.

Scarecrow is the third book in the Shane Schofield series. With new exotic locations and weaponry, plus a returning cast of old friends from the battlefield, *Scarecrow* is set to take the action/adventure world by storm, and leave readers gasping for air. With his trademark style, Matthew Reilly continues to establish himself as one of today's top thriller writers.
